

CORPORATE ANNIVERSARIES

THE HISTORY FACTORY HAS WORKED ON MORE CORPORATE ANNIVERSARIES THAN ANY OTHER COMPANY IN THE WORLD, AND WE KNOW THAT IT MEANS MORE THAN CAKE, BALLOONS AND A LOGO.

Many companies are in uncharted territory when it's time to commemorate an anniversary. Chances are, the anniversary is a first for the company and the people responsible for celebrating it, or an awful lot has changed since the last one.

We also appreciate some of the subtle differences between turning 20, 25 or 50 as opposed to 100. Most important, we know how to connect your anniversary to practical business objectives and develop an original program that fits your needs and company culture.

Whether you're just beginning to explore the possibilities, have a plan that needs to be executed or are having second thoughts about what's been pitched, The History Factory can help you get it done on budget and on schedule. After all, no one wants to be late for their own anniversary.
